A Greyhound Farewell

The 2006-2007 school year brings an end to an era here at Jones County High School. With a combined 54 years of service, Mr. John Trimnell and Mrs. Judy Morgan both decided to kick up their heels and relax a bit. The JCHS school community will certainly feel the loss of these two dedicated educators

For the past 23 years, John Trimnell has served at the helm of Jones County High School. It was not unusual to see his truck parked at the school from 4:30 am until 10:00 pm. Anyone riding by on weekends or during the summer was as likely as not to see him on the tractor or unloading snacks from his latest trip too Sam's. The final seconds before the tardy bell will not be the same without hearing his voice calling out "45 SECONDS!" Those words certainly got the stragglers moving just a little faster. Then there were the morning announcements. The student body was all ears waiting to hear the "wrastlin" results from "yesterdee" and the reminder to come sign up for a half day of Saturday School. Mr. Trimnell was truly a leader from the word go. He knew the names of all students and staff at JCHS. Though there were disgruntled students over the years,

We Will Miss You

disgruntled students over the years, when it came down to it, everyone knew Mr. T. was always there and always doing what he thought was best for JCHS.

Mrs. Judy Morgan has been a member of the JCHS English Department for the past 31 years. She has helped students get through their senior research paper, pass the graduation test and learn to communicate throughout their lives. In addition to her time in the classroom, she has dedicated herself to organizing the annual White Christmas program for the past 15 years. Her sense of humor and her caring spirit made for many a successful program and brought in much needed toys and money for the children of Jones County. She led the English department through the implementation of the new Georgia Performance Standards with The JCHS student body will great success. certainly miss her presence.

Mr. Trimnell and Mrs. Morgan, thank you both for all your years of service to Jones County and her students. The impact you have had on the lives of the many you have touched is without bound. We are all proud that we had you amongst us and wish you the best as you retire.

I would like to thank everyone that has helped me reach this point in my life. For one, my family, for making me realize how important school is to my life. Also, I would like to thank my teachers and coaches for pushing me to become the best student I could be. I also would like to wish everyone good luck in their futures.

Sarah Cook

"Never let your dreams die because one who has not a single dream has nothing to look foward to"unknown author.

I would like to thank my mother for always supporting my dreams and making me the person I am today.

Brittany Marie Davis

"Look, I don't want to wax philosophic, but I will say that if you're alive you've got to flap your arms & legs, you've got to jump around a lot, for life is the very opposite of death, & therefore you must at very least think noisy & colorfully, or you're not alive." -Mel Brooks First, I would like to thank God for surrounding me with such wonderful people. I would also like to thank my teachers & coaches for all their knowledge & encouragement; my friends for all the laughter & memories made; & of course my Mama, Daddy, & sister for their unconditional love & unwavering support. I will always cherish the good times I had at JCHS!

T.J. Brown

"Quien, No se-arriesga no pasa la mar." - Nothing ventured, nothing gained. Everything I have achieved, all awards and defeats, were acheived as a result of me taking a chance. Don't be afriad to take chances. You'll be amazed.

Katie Cranford

"Whatever course you decide upon, there is always someone to tell you that you're wrong. There are always difficulties arising which tempt you to believe that your critics are right. To map out a course of action and follow it to an end requires courage."-Ralph Waldo Emerson I would like to thank my family for helping me stay strong throughout moves from Georgia to Kentucky and back again, and thank you to my friends for helping me adapt to this JCHS lifestyle. Thanks so much, I love you all.

Jeremiah 29:11 You can accomplish anything you put your mind to. I would like to thank all the teachers who had faith and confidence in me and helped me to fulfill my goals.

Megan Fountain

"No matter how close you follow or how careful you are there's that sense you missed something, the feeling that you didn't experience enough and rushed through the moments. One day your whole life may feel this way, but for right now it's all practice."-Chuck Palhniuk Thanks to all my teachers and my parents for all the support they gave.

Each year, the faculty and administration of Jones County High School nominate and select students to be Mirror Students. These students are chosen because they reflect the calues of leadership, dependability, citizenship, school spirit, and excellence the we strive to instill in all our students.

I would like to thank my parents for always supporting me in every way possible. I would also like to thank my brothers for all their advice and for making sure I am doing my best. Lastly, I would like the thank my grandmother, uncles, aunties, cousins and my close friends for their willingness to help me work out my problems. I realize that I am very fortunate to have such a wonderful support system. It is a great feeling to know that I have and will always have my loved ones in my corner encouraging me and assuring me that I will succeed.

Tory Johnson

Donald Jones

Thanks to everyone who has helped me through my rough times and was there to support me in the good times. The encouragement from my friends and family helped pull me through high school. I leave JCHS with memories for a life time. "State Champ"

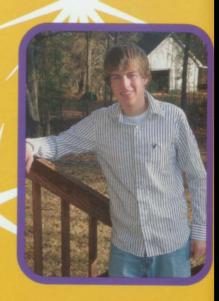

Joseph Lunsford

"Twelve years of hard work, goofing off and just plain' ol' loving life. Those are the three things that make me who I am. Living life and not rushing it is the best thing I can do. Y'all remember, if you get anything from me, live life and have fun in high school...and in life."

Trent Lyle

"Go confidently in the direction of your dreams. Live the life you have imagined."-Henry David Thoreau. To my fellow students, always strive for a happy, fulfilling life, appreciating each step along the way. I would like to thank all my friends for the wonderful memories, my family for always believing in me, pushing me to do my best, my teachers for guiding and encouraging me, and most of all God who directs my path and never leaves me.

I want to have lived the width as well."-Diane Acherman I would first like to thank God for all the blessings and experiences. To my parents thanks for all your support and love. To my teachers, thanks for having faith in me. To my friends', thank you for all the memories and laughter, without you school would just have been school. While in Savannah, the group enjoyed seafood at a local restaurant. Everyone learned a great deal and enjoyed the trip!
